
TURKISH HELICOPTER CRASHED IN GREECE

-

31.07.2023

Millet News (29 July 2023)

The helicopter, which was coming from Paros Island to Bodrum, was trying to land for refuelling on Samos Island when the pilot lost control and crashed.

The TC-HMV registered helicopter belonging to the Turkish company Mavi Air crashed today morning while trying to land at Samos Airport.
