Iraqi News (1 August 2023)

Amr Salem

The British government on Tuesday officially acknowledged that [DAESH] committed acts of genocide against Iraqi Yazidis in 2014.

The Yazidis □ whose pre-Islamic religion made them the target of [DAESH] extremists □ were subjected to massacres, forced marriages and sex slavery during the jihadists 2014-15 rule in the northern Iraq province of Sinjar, the Yazidis traditional home.
