Iraqi News (22 August 2023)

Amr Salem

The Iraqi and Turkish oil ministers stressed the need to resume oil exports after completing pipeline rehabilitation operations.

The Iraqi Minister of Oil, Hayan Abdul-Ghani, met in the Turkish capital, Ankara, with the Turkish Minister of Energy and Natural Resources, Alparslan Bayraktar, where they discussed joint cooperation in the fields of energy, oil and gas, electrical interconnection, and renewable energy, according to a statement issued by the Iraqi Oil Ministry.
