
UZBEKISTAN GRADUALLY INCREASING GAS EXPORTS TO CHINA

-

23.08.2023

Kabar (22 August 2023)

Uzbekistan has been increasing the export of natural gas to China for two months in a row, Kommersant reported with reference to the data of the Main Customs Administration of China, Kun.uz reported.

In July, monthly deliveries of Uzbek gas to China amounted to \$91.4 million, an increase of more than 7% compared to June.

In January-July, Uzbekistan exported natural gas to China for \$295.3 million, which is 41.6% less than in 2022.
