## UKRAINE LAUNCHES MISSILE ATTACK ON CRIMEA

- 13.09.2023

---

BBC News (13 September 2023)

Russia says Ukraine has launched 10 missiles and three unmanned boats in an attack on the home of its Black Sea fleet in Crimea.

The attack caused a large fire at a Sevastopol shipyard which left 24 people injured, Russia said.

Moscow-installed governor Mikhail Razvozhayev claimed most of the weapons were intercepted but that two ships had been damaged.
