Kabar (18 September 2023)

The volume of railway transportation between Kazakhstan and the countries of the Organization of Turkic States has increased, said Deputy Chairman of the Board of Kazakhstan Railways (KTZ) Anuar Akhmetzhanov at the second meeting of the heads of railway administrations of the OTS states in Istanbul, Trend reports.

Thus, since the beginning of the year, the volume of railway transportation between Kazakhstan and Kyrgyzstan has increased by 12 percent, Türkiye by 28 percent, Azerbaijan by 14 percent, and Uzbekistan by 27 percent.

"To ensure the passage of increasing transit freight traffic, KTZ is working to expand infrastructure capacity. The necessary measures are being taken to further increase freight traffic both along already established routes and to develop new promising projects," he said.
