Rhodope Province SYRIZA MP Özgür Ferhat participated in the protest of students and parents at the Minority Secondary School High School in Xanthi "No to shift education".

Özgür Ferhat, SIRIZA MP for Rodopi province, participated in the protest of the students and parents at the Xanthi Minority Secondary School High School against the unfair practices of the administration and said "I congratulate you on this blessed cause. May our path be clear. God willing we will win."

Arriving in front of the Xanthi Minority Secondary School High School and meeting with parents, students and members of the Turkish Minority, MP Ferhat emphasised that the demand for the end of shift education is a very justified demand.
