The demonstration against the imposition of shift education at Xanthi Minority Secondary School - High School continues on its 5th day.

Hundreds of students, parents and representatives of the Turkish community, accompanied by slogans, this time with red cards in their hands, protested against the mentality that ignored their just demands.

In his statement, Ozan Ahmetoğlu, a parent of students in Xanthi Turkish Union and High School, said: "Our "No to Shift Education" protest at Xanthi Minority Secondary School High School continues on its fifth day. We show 'RED CARD' to the mentality that victimises our children and ignores our just demands!".
