Novinite (25 September 2023)

The GERB-SDS coalition registered Anton Hekimyan as a candidate for Mayor of Sofia in the Municipal Election Commission.

Hekimyan was until recently the director of "News and Current Affairs" on bTV. On Saturday, he surprisingly left his position. In bTV he went through the entire ladder - intern, reporter, editor, TV presenter.

The representatives of GERB came to the Central Election Commission led by the deputy chairman of the party, Tomislav Donchev.
