
IRAQ IMPOSES DINAR-ONLY POLICY FOR DOMESTIC TRANSACTIONS

-

26.09.2023

Iraqi News (25 September 2023)

The Central Bank of Iraq has announced its plan to limit all internal commercial transactions to the Iraqi dinar, starting as of 2024, in a significant move aimed at stabilizing its local economy.

According to Bloomberg, this change in policy comes as Iraq struggles economically despite the current markets favorable background of high oil prices.
