
CENTRAL ASIAN ECONOMIES ARE BOOMING THANKS TO RUSSIA: HERE'S WHY

-

04.10.2023

Euronews (4 October 2023)

Joshua Askew, Sudesh Baniya

Central Asia's economic good times are not blemish-free, amid accusations some countries in the region are helping Moscow dodge sanctions.

Times are hard. War in Ukraine, climate change, the prolonged impact of COVID, plus a multitude of other local and international factors have battered economies around the world.

But not everywhere.
