MYANMAR JUNTA ACCUSED OF BOMBING KACHIN STATE IDP CAMP

-

11.10.2023

The Diplomat (11 October 2023)

Sebastian Strangio

The Mung Lai Hkyet camp houses around 500 people displaced by military assaults over the past decade.

Around 30 people, including women and children, were killed in Myanmar in an artillery strike on a camp for displaced people in Kachin State near the border with China, resistance groups say, in one of the military's deadliest on civilians since seizing power in a coup in February 2021.
