Politico (11 October 2023)

BY STUART LAU AND NICOLAS CAMUT

Ukraine needs help to survive during this next winter, the president says.

Ukrainian President Volodymyr Zelenskyy will meet with NATO chief Jens Stoltenberg and U.S. Secretary of Defense Lloyd Austin, and join a meeting of NATO defense ministers during a surprise visit to Brussels on Wednesday.

In comments to the press Wednesday morning, Zelenskyy, speaking alongside Stoltenberg, said his main message to NATO defense ministers would be on priorities for Ukraine for how to survive during this next winter.
