PRESIDENT MIRZIYOYEV RECEIVES REPRESENTATIVES OF QATARI BUSINESS CIRCLES

- 11.10.2023

Kun.uz (2 October 2023)

On October 1, President of the Republic of Uzbekistan Shavkat Mirziyoyev, upon arrival in Doha, received the Chairman of the Board of Nebraska Power, Muhammad Al-Hajri.

Nebras Power is a leading Qatari energy corporation. The companys portfolio includes large projects in more than 10 countries.

The head of state noted with satisfaction the start of implementation, with the participation of a Qatari company, of a project for the construction of a modern power plant in the Syrdarya region based on combined cycle gas technologies with a capacity of 1.6 GW. Preparation of work on the project for the construction of a thermal power plant in the Surkhandarya region is being completed.
