## ITALY, SLOVENIA AND CROATIA TIGHTEN BORDER CONTROLS

-

20.10.2023

---

Millet News (20 October 2023)

*The three neighbours have announced tougher border controls in response to security threats and fears of terrorism related to the Middle East conflict.*

Italy announced that it would restore border controls with Slovenia on Saturday. Following this, Slovenia informed Croatia that it would do the same. Slovenia would introduce surveillance on the borders with Croatia and Hungary from Saturday, the Slovenian Press Agency, STA, reported.
