EU BIDS TO TIGHTEN MIGRATION RULES AFTER ATTACKS IN ARRAS AND BRUSSELS

-

20.10.2023

BBC News (19 October 2023)

By Henri Astier

EU ministers have urged member states to do more to screen migrants and expel those regarded as a security risk, amid rising concerns over militant attacks.

Interior and justice ministers were meeting days after a teacher in France and two Swedish nationals in Brussels were murdered by suspected [extremist religious] militants.

Police across Europe are on high alert in the wake of the Israel-Hamas war.
