
**BULGARIA: THOUSANDS PROTESTED IN FRONT OF THE CENTRAL ELECTION COMMISSION
DUE TO THE MACHINE VOTING SCANDAL**

-

30.10.2023

Novinite (28 October 2023)

At 12 o'clock today in Sofia and Varna, thousands of people came out to protest against the last-minute cancellation of machine voting - something for which the so-called "paper coalition" has been insisting for over a year.

Georgi Georgiev from "BOEC" called on the demonstrators to break through the line of policemen and block the traffic. Protesters and police briefly clashed. The police called on the protesters to calm down.
