
JAPAN'S CATCH 22 SITUATION OVER THE ISRAEL HAMAS WAR

- 30.10.2023

The Diplomat (27 October 2023)

Takahashi Kosuge

Tokyo is caught between a diplomatic rock and an economic hard place.

There is a big debate going on in Tokyo over Japans position in the Israel-Hamas war. Some say Japan should strongly support Israel together with other major Western countries, especially as this years chair of the Group of Seven (G-7). Others say Tokyo should maintain a neutral position, not taking sides with the Israelis or the Palestinians.
