EUROPE MIGRANT CRISIS: ITALY TO BUILD MIGRANT CENTRES IN ALBANIA

-

07.11.2023

BBC News (7 November 2023)

Italy will build two centres in Albania to host tens of thousands of illegal migrants, Prime Minister Giorgia Meloni has said.

She announced the plan at a news conference with Albanian Prime Minister Edi Rama in Rome.

Ms Meloni said the centres - due to open next spring - will be able to process up to 36,000 people a year.
