FINLAND ACCUSES RUSSIA OF AIDING ILLEGAL MIGRANT CROSSINGS

15.11.2023

BBC News (15 November 2023)

By Ido Vock

Finland's prime minister has accused Russia of helping migrants get into the country illegally, saying some have been helped by Russian border guards.

Finnish officials say migrants arrive by car before cycling across the border in small groups to claim asylum.

Finland shares a 1,340km (833-mile) border with Russia, Europe's longest.
