
GREECE: PASOK IS SHOWN SECOND IN POLLS AFTER 11 YEARS

-

20.11.2023

Millet News (20 November 2023)

Two opinion polls published since last Thursday show the socialist PASOK party overtaking left-wing SYRIZA for second place.

It is the first time since April 2012 that PASOK is in second place and, among party officials, there is a sense of a return to the old times when PASOK and conservative New Democracy were, for 35 years, the two dominant poles of Greek politics.
