
WB APPROVES FUNDING FOR TWO ENERGY PROJECTS IN TAJIKISTAN

-

27.11.2023

Kabar (27 November 2023)

The World Bank (WB) has approved extra funding for Tajikistan to proceed with the execution of two energy projects, Trend reports.

The projects are: The Central Asia South Asia Electricity Transmission and Trade Project (CASA-1000) and CASA Community Support Project.

According to the WB, the funding allocated for these two projects totals \$21 million and is offered in the form of grant funding through the International Development Association (IDA).
