TOKAYEV SUGGESTS HOSTING FUTURE SPECA SUMMIT IN KAZAKHSTAN

- 27.11.2023

Kabar (24 November 2023)

I would also like to propose Kazakhstan as a venue for one of the next SPECA summits at a mutually agreed time, said Kazakh President Kassym-Jomart Tokayev during his speech at the first summit of the heads of state participants of the UN Special Program for the Economies of Central Asia (SPECA) in Baku, Trend reports.

The Kazakh President emphasized that Astana supports the process of institutionalizing SPECA, designed to fully unlock its enormous potential to effectively promote multifaceted trade, economic, and investment cooperation among the countries of the region.

"Moreover, in the future, we would be happy to see new SPECA participants - representatives of partner states and UN institutions. I propose our governments establish a special working group of SPECA," Tokayev said.
