
ISLAND STRIFE: GREECE SERVES GERMANY A DOSE OF ITS OWN MEDICINE

- 04.12.2023

Financial Times (3 December 2023)

Tony Barber

A former minister in Athens turns the tables with a proposal that recalls unwelcome advice during the debt crisis.

As Greece sank into the mother of all debt crises in 2010, the German tabloid Bild ran a story under the headline: Sell your islands, you bankrupt Greeks! And sell the Acropolis, too!
