
ROCKETS TARGET BAGHDAD'S GREEN ZONE, US EMBASSY

-

08.12.2023

Iraqi News (8 December 2023)

Amr Salem

Attacks occurred early in the morning today on the US Embassy in Baghdad. Up to ten missiles were fired toward the Baghdad Green Zone, with several of them aimed at the US Embassy compound. Near the embassy, sirens have been triggered.

There have been unsubstantiated reports that Iranian proxies in Iraq fired the rocket missiles.
