
THE RUMORED RESURRECTION OF AUSTRIA-HUNGARY

- 13.12.2023

Politico (13 December 2023)

A sure way to rankle an Austrian is to mention an upcoming Austria-Hungary football match and then ask who is the opponent.

For many in Brussels these days, the answer is clear: the EU. Whether the issue involves Ukraine, Russia, or even the Israel-Hamas conflict, the impression in EU circles is that the pair are singing from the same songbook.

This is classic Austrian behavior, an EU diplomat told POLITICO, insisting on anonymity in order to cast aspersions on a European ally. Dont be mistaken: this is the dual monarchy rising from the grave.
