## FRENCH MPS PASS CONTROVERSIAL IMMIGRATION REFORM

-

20.12.2023

---

BBC News (20 December 2023)

By Ido Vock

*The French parliament has passed legislation toughening France's immigration policy after months of political wrangling.*

The amended bill was backed by both President Emmanuel Macron's centrist Renaissance party and Marine Le Pen's far-right National Rally (RN).

The vote divided Mr Macron's party, and the health minister Aurélien Rousseau announced he was going to resign.
