Kabar (20 December 2023)

Turkmenistan's Turkmennebit State Concern increased oil production at the Gumdag field by 15 percent from January through November 2023 compared to the same period last year, Trend reports.

This deposit, according to an official source, is one of Turkmenistan's oldest.

In the first eleven months of this year, the 'Gumdagnebit' department of the Turkmennebit State Concern produced 526,300 tons of oil at this field.
