## CROATIA'S DEFENCE EXPORTS ARE GROWING IN A DANGEROUS WORLD

-

02.01.2024

---

Balkan Insight ( 2 January 2024)

Vuk Tesija

Assault rifles, pistols, demining hardware and helmets □ these are the backbone of Croatias growing defence export industry. But the state doesnt specify anymore whos buying them.

Serbia has long been the leader among ex-Yugoslav republics in terms of defence exports, but neighbouring Croatia is catching up having built a defence industry from scratch in the three decades since seceding from the socialist federation.
