## **UKRAINE WAR: ZELENSKY PROMISES MORE UKRAINE-MADE WEAPONS IN NEW YEAR SPEECH**

-

02.01.2024

---

BBC News (1 January 2024)

President Volodymyr Zelensky has promised a sharp increase in the amount of weapons Ukraine produces next year.

In his new year's message, Mr Zelensky repeated his pledge that at least a million drones would be built.

There was more fighting overnight into New Year's Day with five people killed in attacks in Odesa in Ukraine's south, and the Russian-held Donetsk region.
