
UKRAINE WAR: MISSILES FIRED AT RUSSIAN CITY BELGOROD AND OCCUPIED CRIMEA

-

03.01.2024

BBC News (3 January 2024)

Russian officials say they have foiled a Ukrainian attack on a border city as the aerial war between the two nations continues to intensify.

The officials said a dozen missiles were downed before they could reach Belgorod, where 25 people were killed on Saturday. Ukraine has not commented.

The attacks come after Russia launched its biggest aerial bombardment yet.
