Iraqi News Agency (4 January 2024)

*The spokesman for the Commander-in-Chief of the Armed Forces, Major General Yahya Rasool, announced on Thursday, that the Iraqi forces hold the international coalition responsible for the attack on the Baghdad security headquarters.*

In a blatant aggression and violation of Iraq's sovereignty and security, a drone conducted an act akin to terrorist activities by targeting one of the security headquarters in the capital, Baghdad, today, this act resulted in casualties and is unequivocally condemned, Major General Rasool said in a statement received by the Iraqi News Agency (INA).

The Iraqi Armed Forces hold the Global Coalition Forces responsible for this unwarranted attack on an Iraqi security entity that is operating within the powers authorized by the Commander-in-Chief of the Armed Forces this action undermines the previously established understandings between the Iraqi Armed Forces and the Global Coalition Forces, The statement added.
