## THE MOLDOVA HIGHWAY. ROMANIA IS RAPIDLY CONSTRUCTING A TRANSPORTATION CORRIDOR FOR UKRAINE

-

08.01.2024

---

Odessa Journal (7 January 2024)

In the conditions of a blockade of the Ukrainian border, Romania is rapidly constructing a highway to the ports.

The construction in question is related to the "Moldovan Highway," which is intended to become a new transportation corridor for Ukraine in the future.
