Iraqi News (22 January 2024)

The US ambassador to Iraq met Sunday with former Prime Minister Nouri Al-Maliki, the Iraqi politicians office said, a day after pro-Iran militants struck US forces in the country.

The meeting in Baghdad with Ambassador Alina Romanowski comes amid soaring regional tensions, the fallout from more than three months of war between US ally Israel and Palestinian militant group Hamas, supported by Tehran.

Ballistic missiles were launched Saturday at a base hosting US forces in western Iraq, in an attack claimed by Islamic Resistance in Iraq, a loose alliance of Iran-linked militants that oppose US support for Israel in the Gaza conflict.
