## **MOLDOVA SEEKS REINTEGRATION OF TRANSNISTRIA AMIDST GEOPOLITICAL UNCERTAINTY**

-

22.01.2024

---

Radio Moldova ( 21 January 2024)

Chisinau authorities are intensifying efforts to reintegrate the Transnistrian region within the constitutional framework of the Republic of Moldova, as highlighted by political commentator Mihai Isac in a recent appearance on Radio Moldova's "Parallel 47" program.

He contends that Transnistria serves as a strategic asset for the Russian Federation's hybrid war operations against Moldova, and potentially against other regional actors such as Ukraine and Romania.
