
MACRON ANNOUNCES HISTORIC DECISION ON ARMENIA

-

22.01.2024

News.am (20 January 2024)

In 2024, we will tirelessly ensure the defense of our overseas territories and face the obligations that our great nation has. French President Emmanuel Macron said in an address to the country's Armed Forces.

"Here I will refrain from listing details. I could mention the Balkans, Armenia, which are at the center of our attention and... strengthening our position and making historic decisions, especially with regard to Armenia, which I just mentioned," he said.
