Armenian lobby continues to play a dirty game by conducting lynching campaign against diplomats and politicians who has good relations with Azerbaijan. The last such incident happened a few days ago when the Israeli ambassador to Azerbaijan George Deek paid tribute to Azerbaijani 20-January martyrs who sacrificed their lives for the independence of the country. On the same day, an Israeli diplomat visited the graves of Vahid Azizov, whose grandson was killed by Hamas during the October 7 gunned attacks, and Jewish-born Azerbaijani martyr Albert Aqarunov.

This noble behavior of the Israeli diplomat was subjected to groundless accusations and criticisms of the Armenian lobby. Following the noble action of the Diplomat, the Armenian National Committee of America (ANCA) shared a post on its X account and denounced him. The post recalled that George Deek has an Armenian root but he stands with Azerbaijan.
