Assemblymember Chris Holden on Monday welcomed a delegation of Armenian leaders from California and the province of Syunik, Armenia to mark the Assembly Concurrent Resolution 105 of 2022 and Assembly Joint Resolution 1 of 2023, Asbarez reports.

The establishment of a sister state relationship between California and Syunik, Armenia will foster educational, cultural and economic opportunities for both California and the Syunik province, a critical area for Armenias sovereignty as a democratic nation. We look forward to the establishment of a committee, which will accelerate this important relationship between the two states. We also salute Assemblymember Holden for his continuous and unwavering support for significant issues concerning the Armenian American community in California, said Aida Dimejian, Armenian National Committee of America National Board Member.
