TRUMP'S ALREADY BACK AND AMERICA HAS ABANDONED UKRAINE

- 08.02.2024

Politico (8 February 2024)

James Angelos

During a visit to Washington this week, German Chancellor Olaf Scholz is likely to find that Donald Trump has already returned □ at least in terms of U.S. policy toward Europe's worst strategic nightmare in Ukraine.

Scholz arrives just as Republicans in Congress, acting at Trumps behest, are blocking military aid for Kyiv, imperilling the fate of the embattled country.

The Washington setback comes as Ukraine's frontline troops complain of ammunition shortages, and as Russian forces make a major push to capture the shattered ruins of the city of Avdiivka.
