## MACRON LEADS CEREMONY FOR FRENCH VICTIMS OF HAMAS ATTACKS

-

08.02.2024

---

BBC News (7 February 2024)

By Laura Gozzi

President Emmanuel Macron has described the 7 October Hamas attacks on Israel as "the largest antisemitic attack of our century".

He was addressing a ceremony for French victims of the attacks in the courtyard of the Invalides military complex in Paris.

A total of 42 French and dual French-Israeli nationals were killed on 7 October, and six were injured.
