Kabar (19 February 2024)

On February 9-16, a British delegation on mining issues visited Uzbekistan, Uza reported.

The delegation included employees of the UK Department of Trade and Industry and representatives of such leading companies in their field as Weir Minerals, WOOD Plc, MSA Minerals, MMD Mineral Sizing, and SRK Consulting.

The guests discussed the prospects for cooperation in the mining industry in the ministries of Energy, Investment, Industry and Trade, and the Almalyk Mining and Metallurgical Company (AMMC).
