The individuals planning terrorist attacks in Azerbaijan have been exposed, Trend reports, referring to the Azerbaijani State Security Service.

In the course of an investigation conducted by the SSS, there were reasonable suspicions that citizen of the Republic of Azerbaijan Bahruz Asgarov (born in 1988), living in the city of Murmansk of the Russian Federation, having entered into contact with other persons, with the purpose of disturbing public security in the country, creating panic among the population, influencing decision-making by state authorities and international organizations, was preparing to commit a terrorist act accompanied by the death of people and other socially dangerous consequences

Furthermore, it was determined that Bakhruz Askerov formed a secret link with people living in other regions of the republic and gave them orders to arrange an attack on the head of Lankaran city's executive power.
