
FRANCE LOVES BRAZIL SAYS MACRON AFTER LULA MEETING

01.04.2024

BBC News (20 March 2023)

By Kathryn Armstrong

Diplomatic visits by world leaders are normally stately affairs, featuring formal handshakes and news conferences.

But photos of French President Emmanuel Macron and Brazilian counterpart Inacio Lula da Silva during his recent visit have put some more in mind of a romantic getaway.

Social media users compared the images to wedding photos.
