
EUROPE AND US NEED EACH OTHER, NATO CHIEF STOLTENBERG SAYS

-

05.04.2024

BBC News (4 April 2024)

Europe and the US need each other and are "stronger together", the secretary-general of Nato has said.

Jens Stoltenberg was speaking at a ceremony marking the alliance's 75th anniversary.

While the US provided Europe with security, he said it also needed the militaries, intelligence and diplomatic leverage of its European allies.
