Azernews (5 April 2024)

*According to the 2024 preparation plan approved by the Azerbaijani Defense Minister, Colonel-General Zakir Hasanov, final meetings on the results of the first quarter were held in the military units, Azernews reports.*

First, the memory of the National Leader of Azerbaijani people Heydar Aliyev and those who died for the independence and territorial integrity of Azerbaijan was commemorated with a minute's silence, and the National Anthem was played.

At the meetings, reports on the work done during the first quarter of the current year on increasing the combat capability of military units and organizing service-combat activities, the tasks performed, and the state of combat training, troop service, material and technical support, and military discipline were extensively analyzed.
