
CHINESE COMPANY TO BUILD DRONE PRODUCTION PLANT IN KYRGYZSTAN

-

05.04.2024

Kabar (5 April 2024)

A plant for the production of aircraft - drones - will be built in Naryn Oblast of Kyrgyzstan, the regional administration reported.

A corresponding agreement was signed between the regional administration and the Chinese company Zhongtian Zhicontrol Technology Holding Co., Ltd. during a business forum in Bishkek.

The head of the region, Altynbek Ergeshov, has previously repeatedly held negotiations on this issue.
