The Turkish Parliament has ratified the memorandum on the establishment of a Mine Countermeasures Naval Group in the Black Sea and we can start to put this agreement into practice. This is what Bulgaria's Caretaker Defence Minister Atanas Zapryanov told the conference on security in the Black Sea held in Sofia.

Two aid packages are to be sent to Ukraine, which already have the approval of the Bulgarian parliament, the minister said, adding that the armoured personnel carriers have left for Ukraine with 3 echelons.
