Baku International Sea Trade Port (BISTP) has strategic importance in the global interconnectedness of Europe and Asia along the Middle Corridor, BISTP said following a meeting between the port's Director-General Taleh Ziyadov and EU Special Representative for Central Asia Terhi Hakala, Azernews reports.

Hakala visited BISTP in Alat as part of her visit to Azerbaijan.

"BISTP plays an important role in strengthening regional sustainable economic development and in the global connectivity of Europe and Asia along the Middle Corridor," Ziyadov and Hakala noted after the meeting.
