
SPAIN ACCIDENTALLY RELEASES ALLEGED DUTCH DRUGLORD KARIM BOUYAKHRICHAN

- 24.04.2024

BBC News (23 April 2024)

By Matt Murphy

Justice officials in Spain have been left red-faced after accidentally releasing a billionaire Dutch drug lord from prison in a bureaucratic mix-up.

Karim Bouyakhrican, allegedly a leader of the Mocro Maffia, was arrested in Marbella in January after a five-year money-laundering investigation.

But he was accidentally released amid confusion over a Dutch extradition request, before vanishing this month.
