## WHY EUROPEAN ELECTIONS MATTER AND HOW THEY WORK

-

02.05.2024

---

BBC News (1 May 2024)

Europeans in 27 countries vote in June in elections that will have a wide impact across the European Union and beyond.

About 400 million voters are eligible to vote from Finland in the north to [South] Cyprus in the south, Ireland in the west to Bulgaria in the east.

At stake is the make-up of the next European Parliament, the direct link between Europeans and the EU's institutions.
